HOW DO WE PLAY?

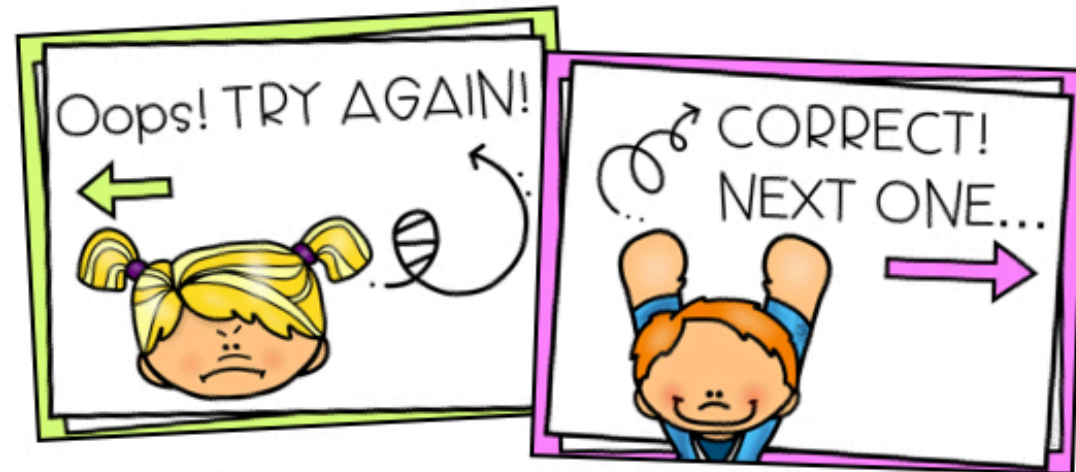

-Students will match the uppercase letter to the picture that begins with that letter sound shown on each slide! If they click the correct picture, they will move to the CORRECT SLIDE. If they click the incorrect picture, they will move to the TRY AGAIN slide. *TWO games are included and ALL 26 letters sounds are covered in these games.

-Students will click the ARROWS to go back and TRY AGAIN or move forward to the NEXT slide.

-A progress bar is shown to help students know how close they are getting to the end!

Dear Family,							
We have been working on letter sounds . For example, Students are shown a letter and three different pictures. They are asked to pick the picture that begins with that same letter sound.							
Your child is doing great! Please spend a little extra time reviewing the following letter sounds with your child. I have attached Find and Cover Cards for a fun activity to practice beginning sounds at home.
