# GROUP Letter SORTS

A large letter sorting mat with eight labeled boxes: A, B, C, D, E, F, G, and H. Each box is a square with a decorative border and a central letter. The boxes are arranged in a grid-like pattern with lines connecting them.

## Letter Cut and Pastes

Set up "letter mats" on each table and place cut out letters in the table in a small container. Student groups will work together and take turns choosing a letter and gluing it on to the correct mat.

Letter cut and paste sheets showing lowercase letters a through f in a grid. Below it are sheets for uppercase letters B through H, each with five columns of the letter. A large 'PREVIEW' watermark is overlaid on the sheets.
