Dear Family,

Each week your child will be working on a set of 6 or less sight words. These words are words that your child needs to be able to read INSTANTLY and often cannot be sounded out. Please help your child practice these words nightly using the following flashcards and/or the ideas from the "Games & Activities" page. Your child will be tested on their ability to read these words fluently.

Bonus: Help them begin to spell these words!
