MATH ACTIVITIES

You can't catch me! I'm the gingerbread man!

Starting at the farmer, roll the dice and color that many gingerbread men one color. Roll the dice again and color that many gingerbread men a different color. Continue rolling the dice and coloring gingerbread men (using a different color each time) until the gingerbread man escapes the farmer.

Roll & Color Holiday Race: Tracing numbers 13-20

Roll a dice. Trace the number above the number (in ten-frame form) that you rolled. Continue rolling until you trace ten numbers. At the end, color the holiday items and ten-frames that won 1st and 2nd place.

MATH ACTIVITIES

Learning My Numbers A New Year's Resolution

Over several days, read the numbers in order from 1 to 20. You can read them to yourself or to your family. Each time you say a number, find it on a page and read at least one sentence about it. You can also draw a picture of each animal.

15	3	4	20	15
17	3	16	13	19
16	19	14	14	15
20	15	13	17	13
16	17	14	20	13
19	13	1	16	19
20	19	0	17	18
18	14	17	18	18
20	20			

Bonus: Color all the numbers with 3s, 5s, 7s, & 9s in them and then this firework.

Counting the Days: Hanukkah Maze

Help Pam count the days until her family's Hanukkah celebration. Starting at 1, color the numbers in order up to 20 to reach the menorah.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
12	8	7	6	9	12	3	9	12	16	17	8	10	15	13	18	1	14	19	20
3	9	12	16	17	8	10	15	13	18	1	14	19	20	12	15	11	20	17	13
13	16	20	14	19	12	15	11	20	17	13	16	17	18	19	20	1	4	9	10
13	16	20	14	19	12	15	11	20	17	13	16	17	18	19	20	1	4	9	10

Bonus: What is today's date? Circle that number with black.

MATH ACTIVITIES

It's Snowing Numbers: 13-20

Cut & paste numbers from 13 to 20 in order.

Write numbers in order from 1 to 20.

Gingerbread Number Match:

Cut & paste the gingerbread above the matching amount.

13	14	15	16	17

Write numbers in order from 1 to 20.

MATH ACTIVITY

SOCIAL STUDIES

THE SEASON OF GIVING: give me the bigger one!

In each set of numbers, color the BIGGER number **green**. Color the smaller number **red**.

7	5	10	1	6	9
10	5	2	5	4	5
3	6	9	0	8	1
2	1	7	10	9	3

Using the 6 numbers above,
write the numbers in order from BIGGEST to smallest.
