## March: HOW DO I USE THIS PRODUCT?

Pages 3-6: These are the GOAL posters. These goals are used on the bottom of each journal page. Use these posters to introduce and teach each goal.

Page 7-8: This is the month's journal cover should you choose to put these pages in a journal. Page 8 is a journal cover without a month's name if you want to use this journal more flexibly.

Page 9: This is the writing stamina page. Your students can use this page to track their writing stamina throughout the month!

Pages 10-34: These 25 pages (and the pictorial vocabulary) cover 5 areas related to the monthly theme. March's theme is Writing About a Location. Each page also has the four goals listed at the bottom. Teach students to bubble in each circle if they achieve this goal while writing. They will also use the curved rectangle in the top right hand corner to write the date each day.

### Page themes:

Pages 10-14: The Beach

Pages 15-19: The Park

Pages 20-24: The Zoo

Pages 25-29: School

Pages 30-34: Outer Space

Pages 35-36: BONUS- St. Patrick's Day

Pages 38-64: Journal pages WITH head, middle, and foot lines

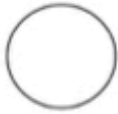

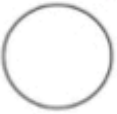

If these journals create success in your classroom, please check out my YEAR-LONG GROWING bundle! Each month, a new print and go journal will be added until Sept-June has been added to the pack. Each journal will be applicable to a kindergartener's writing needs during that month of the school year. For example, September's journal will involve labeling, only one line for writing, etc. For more information about how each journal pack changes each month, check out this GROWING bundle in my store. The earlier you buy, the MORE you SAVE!
