SIGHT WORD: TRUE OR FALSE

1 Read each sentence below. 2 Circle the sight words for the week by dragging a circle on top of each one. 3 Show whether you think the sentence is true or false by dragging a thumbs up or thumbs down into the box at the end of each sentence.

I like dogs and cats.	👍
My grandma will come over today.	👎
I like to play football.	👍

Create six sentences for your students to read containing your sight words. **IMPORTANT:** These sentences should be opinions, facts, or false statements so that students can use the thumbs up/down symbols.

Make each sight word out of pieces of clay, string, or other little items.	Write each sight word on a piece of paper the same number of times as your age.	Find your sight words in a book or magazine.	Use nature to practice your sight words! Write your sight words in the dirt or create them using little rocks, sticks, or leaves for each of the letters.
Write each sight word on two pieces of paper. Then write each sight word SPELLED incorrectly once on pieces of paper. Mix all the pieces up. Can you sort the ones spelled correctly and incorrectly?	Write a letter to a friend or family member using each of your sight words.	Write each sight word on a piece of paper and then cut each word to separate the letters. Can you put all the words back together?	Write each sight word on two pieces of paper and play MEMORY.
Write a short story about an animal using each of your sight words.	Make up a silly song or dance using your sight words.	Ask a grown-up to quiz you. Can they say a sight word and you write it or spell it aloud?	Write each of your sight words on a piece of paper in white crayon. Next, scribble over each word with a colored marker to reveal your words!

Each time you complete an activity, drag an item from below and put it on top of the activity you completed.
