## October: How do I use this product?

This pack contains the resources you need to get started with writing in October. The following is how to utilize each page.

Pages 4-5: These are the goal posters for this pack. These are used on the front of each journal page in this pack. Use these posters to introduce or teach these goals. Show students that if they accomplish the goals (e.g.; correct letter formation, add labels to their picture) they can color the circles next to each of the pictures. The additional stars at the bottom of each journal page are for students to use to reward themselves when they accomplish their goals.

Pages 6-10: Letter Formation Cards. These cards include all uppercase and lowercase letters. Use these cards to practice writing the letter for a student or use when writing independently. Feel free to use these cards however you like!

Pages 11-12: These are the monthly journal pages. You could choose to place these pages in a journal. Page 11 is a journal cover without a student's name if you want to use this journal more flexibly.

Page 13: This is the writing stamina page. Your students can use this page to track their writing stamina throughout the month!
